

VEDANTA: GAUDIYA PERSPECTIVE

Subhag Swami

International Society for Krishna Consciousness (ISKCON), Mayapur, India

Abstract

This article addresses some of the important features of *Bhagavata* perspective of the Vedanta have been presented. Vedanta, written after the compilation of the four Vedas has been commented by several scholars. In this article, the author presents the evolution of the commentaries on Vedanta and shows how *Bhagavat Purana* (also called *Srimad-Bhagavatam*) is a natural commentary of the Vedanta. Some of the contributions of some great stalwarts of Vedanta philosophy are also highlighted.
