

## About the Author

Prem Prakash is Director of Cocreate Consulting Private Limited. Prem's practice areas are alternative energy, polymeric materials, biosensors, electronic materials, and 3D printing. Prem pioneered a completely new way of utilising patent information for calculating manufacturing costs of various chemicals and articles. Prem made significant contribution to scientific fraternity through his research work in understanding protein structure and dynamics. His doctoral work was completed from CSIR-CDRI (Council of Scientific and Industrial Research-Central Drug Research Institute), Lucknow. Before joining CDRI, he worked at CSIR-NCL (National Chemical Laboratory), Pune. He is also a recipient of Sukumar Maiti Polymer Foundation Award and Gold Medal, for his brilliant academic performance during his Masters. He has five publications in peer reviewed international journals. He strongly believe that spirituality has role to play in all sphere of human endeavor. He gave invited lecture in AISSMS-Institute of Management in Pune on "*Spirituality in Sustainable Development and Resource Management*". He is indebted to His Divine Grace Srila A.C. Bhaktivedanta Swami Prabhupada and His Holiness Srila Bhaktiswarup Damodar Swami (Dr. T.D. Singh) because their teachings gave a spiritual dimension and a real objective to his life and thoughts.
